NFPA #58, Adopted as the Ohio Propane Code, states in paragraph 4-2.2.2.1 that containers shall be filled only by the owner or upon owner's authorization.

This is to certify that I am the owner of the above propane container and hereby give blanket permission to BrightStar Propane & Fuels to fill such container as the propane is ordered or through an automatic keep full arrangement.

Tank owner has reviewed the attached Propane Safety Information, and the signature affirms emergency awareness, including propane odor, what to do if the odor of propane or a leak is suspected, and how to turn off the propane supply.
